several others.

Those who are interested in the school say that it will afford an excellent opportunity for young men to study who have failed to get into Annapolis or who do not

for sea service. Its object is to supplement a first-class preparatory education with world-wide travel and such knowledge of nautical matters as will aid them, should they in after life, be engaged in any enterprise in which ships and commerce are involved. The cadets will not take part in the working of the ship except for purposes of drill, discipline, and gymnastic

WOMAN SHOOTS A DEER.

a 285-Pound Buck With a Shotgun.

PORT JERVIS, N. Y., Nov. 14. The glory place, back of Nobody's, a fairroad sation of the Delaware division of the Erie. Yesterday afternoon the party, including Mrs. Herrmann, went into the woods in quest of deer and soon started one on a runway, extending a short distance beyond the The writ under which the sale is unade. The writ under which the sale is unade.

ull charges of buckshot into the animal's body. The deer dropped dead in its tracks and Mrs. Herrmann dropped also. She was knocked over by the recoil of the gun and was in a duad condition for a minute

Just as she regained her footing the hunters who were pursuing the deer rushed on the scene, attracted by the report of the gun, and were surprised to think that the woman robbed them of their shot at the game. The buck weighed 285 pounds

ACCOMPLICE OF PERRY?

Another Negro Suspect Arrested by the Beston Police.

BOSTON, Mass., Nov. 14 - Carl Johnson a negro boy, 16 years old, was arrested and brought to police headquarters early this morning after telling Patrolman Good, attached to headquarters, that he was with Perry, the mulatto now in Cambridge jail, when, as alleged, he killed and robbed Miss Agnes McPhee in Somerville on the night of Oct. 4.

Johnson's pockets were nearly filled with newspaper clippings all devoted to accounts of the jobs of the "slugger" and the attempts to apprehend him. In addition he had a to apprehend him. In addition he had a bloody hand sere if and a mask made of

heavy brown cloth.

Later in the day Johnson denied that he ever knew or saw Perry, and said he knew nothing of any assaults committed by the alleged murderer. Johnson said he intended to rob the store of one Rubin, on Hanover street, but was arrested before he got the chance. This is the way he accounts for the mask that was found in his possession. his possession Johnson has a police record and has served sentence for offences committed in Salem.

FORGED LIEUT. HALPINS NAME. Two Men Arrested With a War Department Check Bearing His Name.

John Snyder of 453 Third avenue and Martin Mahlein of 239 Third avenue were arraigned in the Tombs police court yesterday on a charge of larceny and forgery, and were held in \$1,000 bail each for trial.

The complainant is Lieut. Arthur F Halpin of Company E. Eighth United States Infantry, now stationed at Fort Columbus

The prisoners were arrested on Wednesday night while trying to cash a War Department check for \$31.37, made to Halpin's order, in a clothing store on Park row.

Lieut Halpin said that the check had been stolen from his pocket on Nov. 12 when he was in this city. He had not missed the check when the detectives brought it to check when the detectives brought it to him. His indersement had been forged on the back of the check.

Mahlein, when first arrested, said that he had bought the check from a drunken man for \$5. Later he said that he had got from a private soldier who had asked him to cash it.

Mme. Duse Under a Dector's Care.

Under advice of her physician Eleonora Duse has had ventilators put into her dress--g room at the Victoria Theatre and her ooms at the Holland House are kept at a emperature between 70 and 73 degrees. In Wednesday Mme. Duse's throat troubled her and Dr. Holbrook Curtis told her that he would either have to quit playing for time or follow his instructions. She ecided to do the latter.

Best of All Suns

of the Week

And this particular SUNDAY SUN of November 16th has been polished and brightened until it will shine and glow brighter than any SUN for a long while. You can't fool people about THE SUNDAY SUN, and you can't tell in advance all the brightness it will contain, but here are just a few of the good things prepared for this Sunday:

The Horse Show Gowns Of course, every woman wants to know beforehand what will be worn at the year's greatest parade of fashion. There's all about it in THE SUNDAY SUN. Everything from hats to petticoats is fluffy, but you'll have to read the article to know just what to expect. You see not one mode, but a great many are combined in the styles this year—all for the bedevilment of man. There are pictures showing how the frocks will

The Girls With Thin Arms DAY SUN is written for the women, and as the aim of woman is to be beautiful there is an article telling how girls with thin arms can make them plump, and those who are over-much inclined to embonpoint can be slender and graceful. Did you know that the arms of the golf girl can be unsightly?—all lumpy like a bicycle rider's calves? Well, they can. Learn the remedy from THE SUNDAY SUN.

Woman can't write what Her Business Letters she means, so the department store clerks say. They leave out their names and addresses in business letters and do other foolish things. New York women are the worst, too. Glance over the horrid details, madam, and reform.

This is a story about the weekly show in the divorce In the Divorce Mill court and what the women who throng there say about it. It's better than a matinee, and in the story you get all the fun and all the pathos without having to go to court to see it. Costs almost as much as

are copies in miniature of their mammas'. They wear extravagant coats in silk and their party dresses are a wonder. But it's the fashion. Mothers seeking new ideas, and papas anxious to find the reason for the drain on their pocketbooks, should read it.

fact, the little girls' frocks

Dressing Young Folks

Naturally THE SUNDAY SUN isn't written all about women, though they can read every word in it and find it interesting. That's what THE SUNDAY SUN is made for. For instance, there are these things for poor lorn bachelors, if there are any, who don't read

the fashion pieces: Worth of a College Course this SUNDAY SUN is an man and every father with a boy to bring up will want to digest before he takes up anything else. It is written by ex-Postmaster-General Thomas L. James and deals practically, from the business man's point of view, with the value of a college education in the business world. That's a burning question in many families. Gen. James brings out

the strong points and the weak ones of a college training. New Methods in the They have wholly transformed one of the most Book Trade conservative businesses in Novels now sell by the half-million instead of by the 5,000 or so, and 2,000 more authors than might ever have got into print see their works sold in every book store. Any one who thinks of writing a

book, if he reads this article, will see that he has now the chance of his THE SUNDAY SUN will To Be Healthy by Exercise tell the hard-working business man and business woman, too, how, by using seven simple exercises for a few minutes daily, he or she need not catch cold and may live in health and happiness to a ripe old age. Pictures to make plain how they're done.

Why you mustn't, with If You Bet Don't Hedge many interesting and verthereon told by the race-track man in THE SUNDAY SUN. Also,

why bookmakers fear black bettors and other curious matters. Little Known Men You probably never heard of them any more than you knew of the achieveof Genius ments of John Fritz, the ironmaster. But all the great men in the steel trade combined to honor him at a great banquet the other night and gave him a gold medal for having revolutionized the iron There are many such little known geniuses. THE SUNDAY SUN has found these men and tells about them and their characteristics.

A Yankee A tale about him and the Clearing Up Siam great work he is doing in the East as engineer-inchief to a little brown king. The king rules millions of human beings and is anxious to do the right thing by them. This American citizen has shown him how. Now the king wants to come here and see more of This is a piece of history worth knowing, and never fully told

They're only a few of the things in THE SUNDAY SUN. It would be easy to fill a whole paper telling about them all. You might care to know about the story of the Doukhobors, who are setting Canada by the ears after 150 years of persecution; or how Mr. Chavant of Jersey could bring home as many tom cod as any three other fishermen. They're in to-morrow's SUNLAY SUN with
